

## Smart Smoke Detector

A-DSM-SK01-A0

- Communication Mode: IEEE 802.15.4 (ZigBee/SmartRoom).
- It can apply to ZigBee Smart Security System. Push notifications can be seen on App.
- Work with Smart Sound warner for local alarm while sending messages via App.
- Support tamper alarm.
- Strong anti-interference ability with low false alarm rate.

LIMA smoke detector is a smoke detecting device, support linkage control with other devices, and apply to LIMA ZigBee Smart Security System.

## Specifications

| Specifications                    |                           |
|-----------------------------------|---------------------------|
| Power Parameter                   | DC 3 V                    |
| Battery Type                      | 1 × CR2 battery           |
| Standby Current                   | <10 $\mu$ A               |
| Alarm Current                     | 75 mA                     |
| Alarm Decibel                     | 70 dB @ 3 m               |
| Installation Method               | Base-fixed                |
| Operating Temperature             | -10 °C to +45 °C          |
| Operating Humidity                | ≤95 % RH (non-condensing) |
| Material & Color                  | PC, White                 |
| Dimensions (diameter × thickness) | 98 mm × 43 mm             |
| Net Weight                        | 84 g                      |
| Gross Weight                      | 211 g                     |

## Ordering Information

| Item          | Description          |
|---------------|----------------------|
| A-DSM-SK01-A0 | Smart Smoke Detector |
